## Understanding the rate sheets and shipping options

1. The following states ship via ground only:
  - a. Arkansas, Illinois, Maryland, Massachusetts, New York, North Dakota, Oklahoma, and Pennsylvania.
2. The following states ship on Friday's only on temperature-controlled trucks:
  - a. Illinois and Oklahoma all year and Texas during the Summer months only.
3. Business Address is recommended because an Adult Signature is required for all shipments. A home-based business is still charged as a residential address and someone will need to be home to sign for the shipment.
4. When selecting an air service, please make sure to look at the air rate sheets to make sure we have rates for your select state.
5. When filling out the shipping form, please make sure to fill out each section completely, including the billing information. This includes the credit card number, expiration date, security code and the billing zip code. If the billing address is different than the ship to address, it must be filled out too. Make sure that the person who puts their credit card on the form also signs it at the bottom. If there is any information missing or the name on the credit card does not match the name of the person who signs it, it will delay your shipment.
- 6. Effective December 1, 2024 there will be a 17.75% fuel surcharge added to each package. There will be a 21.5% fuel surcharge added to Illinois and Oklahoma shipments. This fuel surcharge is subject to change due to inflation and the fuel costs increasing daily. Call or email for the most accurate rate.**
7. If you need more than 18 lines to list your wine, please write it on the back of the white copy that you will leave with your shipment.
